Uniforms & Supplies

Students wear the University of Memphis Clinical Uniform during all clinical education except where noted. Students should review the full Clinical Uniform policy included in the BSN Student Handbook. Uniforms may be purchased at several stores in the area. Landau Uniforms, Identity Factor and Uniform Source have the LCON monogramming logo and a listing of all approved uniform styles. Supplies can be purchased at the University Bookstore, Uniform stores or through the LCON Student Nurses' Association (SNA). You may be contacted by the SNA before the start of classes regarding the benefits of purchasing supplies through SNA (student discount and SNA donation).
