CONSULTING:

ORGANIZATION/COMPANY	PERIOD
On-Going Consulting Assignment for FedEx for the Operations Planning and Engineering – Hub Engineering Group, Michael L. King, Managing Director. I'm assisting the Hub Group in developing a tool that uses Data Analytics for Recruiting and Retention Strategy using Gini Impurity, multi-dimensional, decision tree models. Analyzing why people stay, instead of why they quit will be a paradigm shift for FedEx.	2021-2023
Appointed by the University President as the sole faculty representative on the newly created University Budget Committee which was created to form plans for dealing with huge budget shortfall in State and Student funding caused by COVID. As part of my work, I authored the Committee's Position Paper on Operational Audit Reviews at the University of Memphis.	2020-2021
Performed a major consulting assignment for University Faculty Senate where I wrote a 28-page report on the results. The assignment was an investigation into financial and disclosure issues regarding The University of Memphis Foundation.	2016-2017
Conducted a nine-month paid consulting assignment for FedEx Corporation, reporting to John Merino, FedEx Chief Accounting Officer. The purpose of the consulting assignment was to conduct an internal review of their IS Division's proposal to move the company's entire Human Resources ERP software and database systems to a Cloud Based Service Provider. The final report entitled <i>FedEx and the Cloud</i> was completed May 2015.	2014-2015
