SENIOR BUSINESS EXECUTIVE / LOGISTICS PROFESSIONAL

with comprehensive experience in

Organizational Transformation	University Teaching	Staff Leadership
Financial Management	Logistics Support	Public Accounting
Project Management	Budget Preparation / Administration	Business Analysis

Career Naval officer with over 30 years of leadership experience planning and executing logistics support to operating Naval forces worldwide. Results oriented leader with proven abilities in strategic planning, project management, financial management, team building, and senior-level personnel administration. Demonstrated ability to anticipate customer needs and fulfill them in the most effective and cost efficient manner. Dynamic classroom professor with the ability to create a superior learning environment.

PROFESSIONAL EXPERIENCE

University of Memphis – Memphis, TN

Assistant Professor of Teaching, Crews School of Accountancy 2014 - Present

Provided professional instruction to graduate and undergraduate students, focusing on advanced accounting concepts and financial statement interpretation.

- Fogelman College of Business and Economics 2016 Honors Teacher of the Year
- George Johnson Fellow Award 2018
- University of Memphis 2019 Honors Teacher of the Year
- University of Memphis Alumni Association 2019 Distinguished Teaching Award

Booz Allen Hamilton – Millington, TN

Consultant / Project Leader 2012 – 2013

Led a team of four professionals executing a large-scale U.S. Navy organizational realignment involving 2,500 worldwide employees in 66 offices. Key deliverables included strategic communications planning and execution, and collaboration with key stakeholders. Change management work resulted in a seamless transfer setting the stage for enhanced pay and personnel services to sailors across the Navy.

United States Navy – various locations

Supply / Logistics Officer 1980– 1984, Reserves 1984 – 1987, 1987 – 2010

Directed logistics, personnel, and financial support for Naval forces engaged in numerous exercises and operations around the world. Planned and executed logistics loads for combat supply ships. Deployed to foreign countries to establish expeditionary support for overseas operations. Gained extensive leadership experience working with both officers and enlisted sailors focusing on mentoring relationships. Demonstrated financial management expertise specializing in government appropriations and organizational budgeting.

- Directed logistics support for the Navy’s Arabian Gulf Fleet during Operation Enduring Freedom involving over 110 U.S. and foreign ships resulting in 100% mission accomplishment
- Managed \$4M coastal radar system installation project in Bahrain resulting in increased security for U.S. personnel and families stationed abroad
- Directed marketing and advertising services for Navy Recruiting Command meeting all recruiting goals

Specific full-time teaching experience: Military Professor of Accounting and Finance, Naval Postgraduate School (NPS), Monterey, CA 1991 – 1994

Classes taught: Financial Accounting, Managerial Accounting, and Corporate Finance

Demonstrated innovative and dynamic classroom teaching skills. Taught 22 classes over a 3-year period with approximately 660 students consistently averaging 4.8 out of 5.0 on student evaluations. Student comments include, “Superior instructor and course organization. He wasn’t afraid to be innovative in his testing approach.” And, “I learned more from the projects in here than from any other exercise at NPS.”

Adjunct teaching experience at the following institutions:

- a. Monterey Institute of International Studies, Monterey, CA (1991-1994)
- b. Seattle Pacific University, Seattle, WA (1999)
- c. Crichton College, Memphis, TN (2006)

Arthur Andersen & Co. – Cincinnati, Ohio

Senior Accountant – Certified Public Accountant (CPA) 1985 – 1987

Provided small business consulting and auditing services to various clients ranging from manufacturing to service concerns. Developed audit plans, evaluated accounting and business operations, and coordinated fieldwork for this Big Five public accounting firm. Performed full spectrum of accounting functions including audit testing for numerous financial accounts, tests of controls along with evaluation, and documentation of accounting systems.

Christian International School of Prague – Prague, Czech Republic

Business Manager 2010 – 2012

Implemented sound business processes and accounting policies ensuring compliance with Czech laws for non-profit organizations. Instituted budget formulation practices and high ethical standards for budget execution.
