Devonia Banks

Devonia holds a Bachelor of Business Administration with a concentration in Information Systems from the University of Memphis. She began her career at the University in 2013 as a Server Systems Administrator, where she managed Microsoft Office 365 cloud and VMware infrastructure. During this time, she earned the Certified Information Systems Auditor (CISA) certification from ISACA. Devonia later transitioned to an IT Auditor role with Shelby County Schools, where she led the department's first IT Security Audit, standardizing operations using NIST and COBIT frameworks. She has now returned to the University of Memphis as a Senior Internal Auditor.
