

## **Introduction video for INTD Asian Study and International Trade (ASIT) Program**

**Title:** About INTD Asian Study and International Trade (ASIT) Program

**Description:** a brief introduction about the INTD Asian Study and International Trade (ASIT) Program

### **Transcription:**

Asian Studies and international trade program provide the students with opportunity to understand the Asian culture and also to prepare students to do business with Asian countries.

We have scholarships.

We have also internship opportunities as well as abroad opportunities.

This is a program which is cross discipline and also cross college between the College of Arts and Science and Business.

If students are interested in this area, please look into our website and also email me and we welcome students to become a major or minor in this area. Thank you.
