

**ENGL 7603**

**Tuesdays 5:30-8:30pm**

**Prof. Marcus Wicker**

**Graduate Poetry Workshop**

This workshop aims to develop the graduate-level creative and editorial habits necessary to crafting and revising successful poems. You will read assigned essays and collections thoroughly to aid in the development of a personal canon, foster a variety of aesthetic sensibilities, generate a portfolio, explore opportunities for publication, and engage in literary citizenship.
