

ENGL 3604

Section 1: TR 9:40am-11:05am

Section M50: Online

Dr. Scott Sundvall

### **Persuasive Writing: Style & Content**

This course will explore how style and content have historically worked in and through persuasive writing, as well as how they work in our contemporary moment. We will explore the function of style and content in various mediums and genres. The course will be anchored by the assumption that there is little difference between the two anymore.
