

ENGL 4601 POETRY WORKSHOP

MW 2:20pm-3:45pm
Prof. Marcus Wicker

.....

This workshop will be devoted to the creation, revision, and critical analysis of poetry. Students will study poetry as an art form, working in admiration of its history, difficulty, and depth. Students will write original poems and read collections of poetry in a supportive environment where students are invited to encourage and challenge one another to expand and intensify their creative work.
