# Being an English Teacher

**Whether we acknowledge it as such or not, teaching is a political act, and the history of the teaching of English has been marked by constant tensions between those who advocate for tradition and those who favor a more progressive approach. The course will also feature a major unit on the topic of book banning, particularly in recent years.**

**ENGL 4701**

**Prof. Cathy Dice**

**MW 12:40-2:05**
