- February minutes –Approved.
- Reminder – hold college elections for the next term (3-year terms) also add when you began your term on the attendance spreadsheet.
- Acceptance of AICE – passed
  - Much discussion regarding having one company to do all the credential evaluations or evaluating in house. A subcommittee will be formed to discuss.
  - Having a company would save time and money. Inhouse would also save money for the students – but required work for faculty.
- Health Insurance
- Students need to register for classes and accept their GA contact before the health insurance can be processed.
- Updated the website with more information about the plan and benefits.
- Dependents – this is available for international students but currently not domestic students.
- To consider
  - High deductibles – and lower premiums
  - Expect insurance rates to decline as we have more history with the company.
  - This is only for Full Time student – we do offer the Church Health Center for part time students.
- Catalog – please review if there are corrections please put in a ticket. Review carefully as things do get dropped.
- Graduate Assistantships – Enter openings in Handshake and then a list will be compiled which is easier for the students to review.
- SubCommittees – will make reports in the Fall
- May Meeting – Cancelled.
