### Classroom format

This course is delivered online in an asynchronous format. In other words, we have no scheduled meeting time. This can be convenient for you, but it also means that it is essential for you to be an organized, motivated student.

This course will teach you the foundational skills for creativity in strategic media. You will explore web-based tools for developing basic graphics for print and social media.

You will upload all required assignments to Canvas and feedback will be provided to encourage your improvement. All quizzes and assignments on Canvas are due on Sunday nights at 11:59 p.m. Central Time unless otherwise noted. To allow time for response and clarification, please reach out with any assignment-related questions at least 48 hours *before* the assignment is due.

## Accessing the course website

1. Go to the University of Memphis learning management system home page:  
<https://memphis.instructure.com>
2. Log in using your University of Memphis username and password.
3. On your course dashboard, click on the course card for JRSM 3905-M50.

## GRADING & ASSIGNMENTS

- Each assignment will come with unique formatting guidelines. Be sure to follow these guidelines exactly. Work that does not comply with these guidelines, as well as the production specifications for the assignment, will receive a grade of 0.
- Design projects may not use templates or model any existing design. Doing so is grounds for failure of the assignment. Repeated offenses will result in failure of the course, academic suspension and/or academic dismissal. The few exceptions are as a starting point for resumes and business cards and on websites for portfolios.
- Where indicated in the assignment, you must shoot photos yourself. Some assignments allow the use of Canva stock images or Creative Commons-licensed images. Do not use copyrighted images.
- You are encouraged to work ahead on assignments to develop your creative processes for the work.

A = 90% - 100%; B = 80% - 89.9%; C = 70% - 79.9%; D = 60% - 69.9%; F = Below 60%

### Grading philosophy

A = professional quality work that could be used with little or no modification

B = good to excellent work and exceeds requirements but would require revision to be used professionally

C = satisfactory work and adequately meets requirements but would need significant revision to be used professionally

D = barely satisfies minimum requirements and below average quality

F = unsatisfactory work that does not meet minimum requirements

### AI/ChatGPT

ChatGPT and similar AI tools, though useful in many contexts, are inappropriate for use in this course. An important outcome of this course is to strengthen your abilities as a thinker and writer. That is only possible when you do your work. You may not submit work that is written or designed wholly or partially by an AI tool. Assignment submissions may be run through AI detection software. If your submission appears to have been written/created using AI, you may either receive a failing grade or be asked to resubmit the assignment.

### Repetition of courses and coursework

You may not use or submit work from a previous course, even if it is the same course being repeated, to fulfill requirements for assignments in another course. If you wish to substantially rework the original submission or to work with the general idea, that may be permissible upon discussion with and written approval from me. All written work will be checked via TurnItIn.com. All creative work will be judged against previous submissions and other professors may be consulted. The only exception to this is your online portfolio where you are expected to use the work you have written and created in the program (like your logo, resume, and other creative pieces).

### Late work

Work submitted late in Canvas is subject to a 2% per day reduction in your grade on the assignment. The deduction is automatic in Canvas.

I will not accept work after three weeks beyond the due date. At that point, the work is no longer helpful to current course concepts. Waiting until the end of the semester and submitting everything at once is not an option – please do not even propose it.

If you feel like you are falling behind or if life circumstances are causing you to miss assignments, please reach out to me as soon as possible so we can work together to plan for you to get caught up. I'm happy to help each one of you stay current and not fall behind. I want to see you succeed in this class, but that requires you to communicate with me. If I don't know, I can't help.

## JOURNALISM AND STRATEGIC MEDIA POLICIES

### Portfolio requirement

As an undergraduate student in the Department of Journalism and Strategic Media, you are required to develop and maintain an active portfolio of your work. Portfolios begin in JRSM 3900/3905. The portfolio should contain samples of coursework and/or professional experiences and should develop as you build skills. Portfolios will undergo a final, external review while you are enrolled in your capstone course.

You may use any type of web hosting for your portfolio, but it must have an independent and professional URL. You may use any content management system, but you are encouraged to use WordPress, Wix, or Squarespace. It is also encouraged to purchase a URL if you plan to use the portfolio long term. You must keep the portfolio active for six months following graduation from the University of Memphis.

You should have a professional email address you plan to use throughout your professional life, via a common email service, such as Gmail.

All portfolios must contain the following items:

- Samples of work from courses and/or professional activities. (Example: Broadcasting students must include a video reel)
- A current résumé
- A personal profile
- Contact information/means of contact
- Professional social media links (minimum LinkedIn)

You may wish to include a blog, video reels, photograph galleries, presentations, design PDFs, audio files or writing pieces as examples of professional work. The professional work should ultimately be tailored to

the career you seek after graduation. Your portfolio should show a unique blend of work.

### Email

You must have your UofM email account activated. If you are using another provider, such as Google, you are required to have all UofM emails forwarded to that account. Go to the [account management website](#) for information about implementing email forwarding. You are required to check your email daily.

### Electronic devices

Some classes require a tablet, laptop or a smartphone. Others do not. Instructors will set the policy for their specific classes.

### AI/Chat GPT

The use of artificial intelligence software, such as Chat GPT, is prohibited in some courses and required in others in Journalism & Strategic Media. Please refer to specific guidelines for this course in the course-specific part of the syllabus.

### Attendance

Class attendance is mandatory in Journalism & Strategic Media. You may be assigned a failing grade for the semester for nonattendance or habitual tardiness.

### Course repetition

Majors and minors who fail to earn the minimum passing grade (C-) in a class required by your program of study in Journalism & Strategic Media after three attempts will be dropped from the program.

You may not use or submit work from a previous course, even if it is the same course being repeated, to fulfill requirements for assignments in another course. Substantially reworking the original submission, or working with the same general idea, may be permissible upon discussion and with written approval from the professor of the current course.

### Academic integrity

The University of Memphis expects all students to behave honestly and follow the policies stated in the Student Code of Rights and Responsibilities. If you need more information about the University policy on academic integrity visit the [Office of Student Accountability's website](#).

In addition to University-wide policies, the Department of Journalism & Strategic Media considers making up quotes from sources, turning in substantially the same assignment for credit in two different courses or receiving any assistance from others for work assigned to be done on your own, as acts of cheating and punishable to the degree determined appropriate by the course instructor and department chair. Punishment may include grade reductions or seeking dismissal of the student from the University.

Further, you are expected to comply with copyright and intellectual property laws and must have sufficient permission to use any copyrighted materials used in creative projects, unless otherwise informed in cases of exercises or reproduction.

Your written work may be submitted to Turnitin.com, or a similar electronic detection method, for rating originality of your ideas and to evaluate proper use and assignment of sources. All creative work may be checked for policy adherence by the professor. The only exception to this

policy is your online portfolio and its attendant pieces (for example, the résumé and logo). By taking this course, you agree that all assignments may undergo this review process. The assignment may be included as a source document in Turnitin.com's restricted access database. It is solely for the purpose of detecting plagiarism in such documents. Assignments not submitted according to the instructor's procedures may be penalized or may not be accepted at all.

### Online SETEs

You are encouraged to complete the SETEs evaluation of this course. If completed, once the instructor has posted final grades, you can immediately see that grade. To access evaluation forms, log in to MyMemphis; click the "Student Pages" dropdown menu and select "My Resources" and find the SETE evaluation forms; complete an evaluation for each course listed and hit the "Submit" button at the bottom of the form. Completing the SETE will only take a few minutes. Faculty take the evaluations seriously and use them to improve courses and instructional quality. Your feedback is essential and is appreciated.

### Deadlines

All deadlines are firm. Because Journalism & Strategic Media is a professional program, students are expected to understand and comply with deadlines. Students needing an extension on an assignment must receive approval from the instructor. Exceptions will be made for reasonable circumstances if the student notifies the instructor prior to the due date.

You may be permitted to make up missing work if it is for an absence because of illness or other catastrophic emergency, such as a death in the family that can be documented.

### AP Style and grammar

All written work in this class must follow the AP Stylebook and accepted rules of grammar and punctuation. You are responsible for learning these rules and checking your work for errors.

### Disability and accommodations

If you need an accommodation based on the impact of a disability, contact Disability Resources for Students at 901-678-2880 in 110 Wilder Tower Hall to coordinate reasonable accommodations.

### Diversity and inclusivity

The Department of Journalism & Strategic Media values diversity in all its forms. Some of these forms include ability, age, appearance, ethnicity, gender identity, immigration status, language, nationality, race, religion/spirituality, sex, sexuality, socio-economic status, and other personal identities and experiences. As such, students are expected to participate in fostering an inclusive environment that respects the differences of others.

Students are expected to approach their work through a diverse lens. Creating messages that resonate with diverse audiences requires an understanding of a variety of perspectives, which are carried out through multiple platforms, such as digital and traditional media outlets.

The department seeks to foster healthy and positive classroom discussions and experiences. As such, faculty and students are expected to remain respectful and professional at all times.

### Weather policy

Always check with local media, the University of Memphis website regarding inclement weather.

### Student support

If you are experiencing personal or academic challenges including, but not limited to food or housing issues, family needs, or other stressors, visit the Student Outreach & Support page to learn about resources that can help: <https://www.memphis.edu/deanofstudents/crisis/index.php> or contact the Dean of Students Office at 901-678-2187, or in person in Suite 359 in the University Center for assistance. You may also talk with course instructors about the challenges you are experiencing. Instructors may be able to assist in connecting you with campus or community support.
