STUDENT HEALTH AND COUNSELING SERVICES NEWSLETTER

SEPT-NOV
2024

Welcome to a new school Year! **Tigers, we are glad to have you back on Campus**

As the new semester kicks off, we're excited to welcome you back to campus! At the Student Health and Counseling Center, we're here to support your journey every step of the way. This quarter, we've got some fantastic events lined up just for you. Don't miss our Wellness Fair on October 2nd, where you can explore ways to stay healthy and balanced. Join us for our "Vent About It" sessions—your space to unwind, share, and connect. Plus, our rebranded Less Stress Success series is back with fresh topics to help you thrive this semester.

We're here for you—let's make it a great semester together!

WELLNESS TIPS

- 1. Prioritize Sleep:** A good night's sleep is crucial for your physical and mental health. Aim for 7-9 hours each night to stay sharp and energized throughout the day.
- 2. Stay Active:** Regular physical activity boosts your mood and helps manage stress. Find a fun way to move, whether it's hitting the gym, taking a walk around campus, or joining a fitness class.
- 3. Practice Mindfulness:** Take a few minutes each day to practice mindfulness. Deep breathing exercises, meditation, or simply sitting quietly can help you stay grounded and reduce stress.
- 4. Stay Connected:** Building strong connections with friends, classmates, and campus resources can enhance your sense of belonging. Don't hesitate to reach out for support when you need it.
- 5. Balance Your Plate:** Eating a balanced diet with a variety of nutrients helps fuel your body and mind. Try to include fruits, vegetables, lean proteins, and whole grains in your meals.
- 6. Take Breaks:** Studying hard is important, but so is taking breaks. Step away from your desk, get some fresh air, or do something you enjoy to recharge your mind.
- 7. Set Boundaries:** Learn to say no when you need to protect your time and energy. Setting healthy boundaries is key to maintaining a balanced life.
- 8. Ask for Help:** If you're feeling overwhelmed, remember that it's okay to ask for help. Reach out to our counseling services, attend a "Vent About It" session, or talk to someone you trust.
- 9. Stay Hydrated:** Drink plenty of water throughout the day to keep your body and mind functioning at their best. Carry a water bottle with you to stay hydrated on the go.
- 10. Get Involved:** Engage in campus activities, attend events like the Wellness Fair, and make the most of your college experience. Getting involved can boost your well-being and help you connect with others.
