

Poster Board Project/Presentation

This project will take the place of your Final Exam, and it will count as your Final Exam grade. With that being said, you need to treat this project as an EXAM!

Due Date: Tuesday, December 1st

Instructions:

I will be providing the poster board. We will have some class time to work on this. Your

poster board will be based on the **Americans with Disabilities**

Act (ADA).

Guidelines for poster board:

- The name of the act.
- The year the act became a law.
- Definition of the act (what does the act state).
- A definition of the act IN YOUR OWN WORDS. What does it mean to you?
 - Who was the President at the time the act became a law?
- A court case (preferably a Supreme Court Case) that involved the ADA.
 - The name and date of the court case.
 - Who won the court case?
 - 3 pictures that represent the act.

Please try your best to fill the majority of your poster board. The less white, the better. You have the option of typing and printing out your words/information, writing them in marker, cutting and pasting, glitter, etc. The only thing I ask is that you do not use regular pencils and pens to write on your poster board. Please make your poster board look professional and organized. Be colorful, creative, and have fun with this!
